

# Summer Schedule 2024

## Summer Camps

**June 3-7 Creative Writing (4th-8th grade) 9AM-2PM \$250**

Join us for this fun camp where we partner with Share Your Stories to write our own storybooks in 1 week! We will go through the entire writing process together and the week will end with each child having designed and written his or her own storybook! We will throw in other fun literacy activities during this exciting week, sure to keep your kids engaged and excited about learning this summer! **Register by April 15 for \$25 off camp price!**

**June 10-13 Drama Camp (3rd-6th grade) 9AM-2PM \$250**

Join us for a fun filled week of theater. We will rehearse all week and put on a play for our families at the end of it all. \*Includes a performance at 1pm on Friday, June 13. **Register by April 15 for \$25 off camp price!**

**June 17- 21 Arts Camp (1st-6th grade) 9AM-1PM \$225**

Join us for a fun filled week of all things arts! We will create visual art, have fun with drama, bring out the boomwhackers for some music time! This is sure to be a highlight of the summer for your kids! **Register by April 15 for \$25 off camp price!**

**June 24-28 STEM Camp (Ages 5-7) 9AM-4PM \$349** (\$299 before March 15)

Exploring Jr. Creation - This camp is put on by Brainy Bytes and hosted at Master's this summer. **Register early (by March 13) before it opens to the public.** Jr. Programming and Comic Book Creation combine into one amazing camp. Learn early coding skills while programming games, puzzles, interactive scene clips and more with tablet-based, drop-down programming. Use LEGOs and your imagination to create comic books with story visualizer software. Your campers will love exploring and creating in this hands-on/minds-on camp. No prior experience needed. All supplies provided.

**June 24-28 STEM Camp (Ages 8-11) 9AM-4PM \$349** (\$299 before March 15)

Game Overload (Ages 8-11) - This camp is put on by Brainy Bytes and hosted at Master's this summer. **Register early (by March 13) before it opens to the public.** Get ready for a full week of game programming "overload." Starting from the very beginning, we will explore the basics such as creating sprites, objects, events and actions, health, gravity, designing your levels and more. Then go deeper into the platform game programming to take your game making to a new level. Utilizing GameMaker Studio, this camp will provide hours of creative time for you to build exciting, professional looking games you can play with your friends. Students receive a link to all the class creations at the end of the course. You must have minimal experience using a computer to take this class. All supplies provided.

## Private Tutoring

June - all month

Let us tailor a weekly session for your child based on what he or she needs to learn! If your child struggled in a class during the school year and/or needs additional reinforcement in a specific area, let us know and will discuss with you your child's needs and make a plan for success! Contact us to schedule.

**All summer activities are at Master's Academy in Marietta.**
